Kevin A. Legend, Music's #1 Impersonator stars in this original production that proves no star is sacred.

So many love his 'cloning' around that he's been invited to open shows for Baby Boomer icons such as **Tom Jones, Cliff Richard, Gene Pitney, Joe Cocker, Dianna Ross & The Supremes, Cilla Black, the Platters** and many more.

The result of entertaining numerous royal families, world leaders and countless corporate events around the world, Kevin and his "cast of 1,000's" now bring the public all the fun that was/is the culture and music of the Baby Boomers.

You won't believe your ears or your eyes because yes, all his voices really are LIVE!

Kevin's characters include *Rod Stewart, Elvis Presley, Bee Gees, Joe Cocker, John Lennon, Ringo Starr, Mick Jagger, Bryan Ferry, Kenny Rogers, Willie Nelson, Julio Iglesias, Tom Jones, Roy Orbison, Gene Pitney, Cat Stevens, Dean Martin, Ozzy Osbourne, Meatloaf, along with Austin Powers, Kevin Rudd, Sir Sean Connery, Donald Trump* and a host of others to amaze you as much as he's astounded the stars with whom he's worked.

Quotes:

'He sounds more like me than I do!' **Gene Pitney** world famous singer and song writer.

"I've not seen one person impersonate so many stars so well!" **Donnie Sutherland** OAM, Australia's foremost music TV host of shows including 'Sounds' and 'After Dark'.

"That was fantastic!" **Charles Wooley** of **60 Minutes**

"I couldn't believe that was you!" **George Lazenby** Movie star & former 'James Bond 007'.

"This comedy/musical experience is megastar heaven...a live show packed with fun & energy". **Sunday Mail**

Kevin's sidekick Sandy delivers a selection of legendary women synonymous with Baby Boomers from amongst *Cher, Kate Bush, Dolly Parton, Dusty Springfield, Chrissie Hynde, Grace Slick (Jefferson Airplane), even Freddie Mercury* to name a few.

This event begins the moment you walk in the door, when your host MC greets you so the fun starts even before the show. (The term 'show' here meaning a continual assault on your 'laughter nerve', which comes in two halves, each about one hour and separated by intermission.)

Add 21st century technology into this non-stop live show with their oversize interactive screen and brace yourself for even more megastar mayhem as it's unleashed upon the unsuspecting audience.
